

DEEP IN THE HEART OF THE CITY

Deep in the heart of the city
Down where the cruisers slow
The young girls walk
Yea, they know what it's all about
But they don't care
They don't care at all
Up high in the sky the night's playing
Shy with the moonlight
Throwing down shadows that hide
From the neon because
The business is sad and the business is lonely
And the flash hits the tears
In their eyes
Deep in the heart of the city
Down where the cruisers slow
Deep in the heart of the city
Down where the cruisers slow
There goes pretty Paula
Here comes curvy Candy
God knows she's falling out of her shoes
Nobody knows how she handles the greenies
But the whole world's heard
How she handles the blues
I'll head for home
It's just started raining
I'll pick up some fast food
And wait for the train
It's all too real here
While the dreams go down in the drain
Deep in the heart of the city
Down where the cruisers slow
Deep in the heart of the city
Down where the cruisers slow
The young girls walk
Yea they know what it's all about
But they don't care
They don't care at all
Up high in the sky the night's playing
Shy with the moonlight
Throwing down shadows that hide
From the neon because
The business is sad and the business is lonely
And the flash shows the tears
In their eyes
Deep in the heart of the city
Down where the cruisers slow
