

## **HARRODS PURE DEEP OVERFLOW**

in harrods pure deep overflow  
the changing stables said  
nor less the musty camping van  
at vastly-under-fed  
the children's temple sedan shine  
grumble penny shed  
vapour grader inside trader  
how vatican gets wed  
chill through swing october  
matriculation sheen  
the amber and the saintly horny  
there's wipe-out, no latrine!  
nor was it turban emerald  
with petroleum dismiss  
retard sideboard avant gardez  
starring viper hiss  
tread across by midnight's spanner  
approve the ferret's limp  
the iron bars in ecstasy  
with value added chimp  
not so light the skip fandango  
intrusions in dark bite  
starvation bent to fit the glory,  
emboss the infinite!  
well I did mouse along forever  
this much I say is true  
dingo, dumb bitch, and so bony  
how wingnut did you shoe?
